About Us

Posh Playdates Kids Club is a youth-focused club dedicated to providing a safe, engaging, and nurturing environment where children can learn, play, and grow. The club is thoughtfully designed to support children's social, emotional, and cognitive development through structured activities, creative programming, and supervised recreational experiences.

Posh Playdates Kids Club serves children across three age-based divisions: Little Scholars (ages 3–7), Young Atlas (ages 8–12), and Culture Street Teens (ages 13–17). Each group benefits from developmentally appropriate programming that balances educational enrichment, physical activity, and creative expression.

Core programs include early literacy and play-based learning for Little Scholars; homework support, arts and crafts, sports, and STEM exploration for Young Atlas; and leadership development, cultural enrichment, and life-skills programming for Culture Street Teens. All activities are delivered by trained, caring staff who prioritize child safety, inclusivity, and positive youth development.
